ARIZONA'S VALUATION IN 1917 LEAPS

\$200,000,000 AHEAD OF LAST YEAR

PHOENIX, July 24—An increase of approximately \$200,000,000 in the assessed valuation of Arizona property, real and personal, was noted in 1917 as compared with 1916, according to the report by counties as made public today by members of the state tax commission. The total assessed valuation for this year of \$886,236,581.68 as compared with \$686,236,581.68 in 1916, an increase of almost 30 per cent. The figures for this year, however, are subject to change by the state board of equalization.

The greatest increase noted in any classification was in the mine assessments. Under this classification, the increase totaled approximately \$163,000,000, it is said, of which part approximately \$50,000,000 was on property owned and controlled by the Inspiration Consolidated Copper company.

A substantial increase was also noted in assessments on cattle. The cattle valuation for the state this year is about \$3,000,000 greater than in 1916. This increase is a result of a greater cattle census this year than last rather than an increase in valuation of cattle.

The greatest increase noted in any one county was in Gila, where the total for this year is \$142,633,706.35. This is an increase of \$62,800,000 over 1916, mostly due to added valuation of mining property.

Cochise comes next with an increase of over \$40,000,000, leading all other counties in the state in valuation and coming ahead of Gila by about \$8,000,000.

The assessed valuation for the fourteen counties of the state is as follows:

Apache	\$ 7,368,553.73
Cochise	150,467,547.70
Cocconino	18,096,164.27
Gila	142,633,706.35
Graham	12,037,885.25
Greenlee	41,072,273.18
Maricopa	79,189,270.34
Mohave	18,203,168.20
Navajo	9,803,822.00
Pima	36,853,989.14
Pinal	46,322,909.00
Santa Cruz	9,219,296.69
Yavapai	98,021,481.38
Yuma	16,946,614.45

COCHISE COUNTY BUDGET COMPLETED

Completion of the Cochise county budget today by Clerk A. C. Karger of the Board of Supervisors, showed that a total of \$552,501.25 will be needed for the operation of the commonwealth for the fiscal year of 1917-18 and that it is probable, according to the clerk's estimate that the county tax rate will not exceed 30 cents. Last year the county rate was 43 cents, which added to the state rate of 40 cents made a total of 83 cents. Mr. Karger estimated today that the total rate for Cochise county this year including the state rate will not exceed 60 cents, basing his estimate on the budget and increase in valuation as published in these columns last Friday.

The budget which is in the hands of the clerk, and is to be published in these columns within the next day or two, shows that the sum to be raised by direct taxation will be \$272,808.37 for a general fund and a special district levy to be raised for common school maintenance of \$117,329.60. The amount needed for the road fund is placed at \$109,000.00 with \$170,692.88 for the general school fund. For high school maintenance \$117,591.20 will be needed to be raised by special district levy.

Of the total sum estimated as necessary in the budget only \$552,501.25 will have to be raised through direct taxation, the remainder to be turned into the county treasury through the medium of fines, fees, hospital receipts and road and school taxes.

The total net assessed valuation of the county this year will be \$150,467,547.00, as against \$112,000,000.00 last year, or a gain of over \$40,000,000.00, which places Cochise county, with the highest assessed valuation in the State of Arizona, leading Gila County, which comes second by over \$8,000,000.00. Following this lead, with a tax rate of only 30 cents, Cochise will not only have the highest valuation but the lowest tax rate, according to the figures now available. Mr. Karger believes that the state tax rate will also be much lower this year than last, basing his belief on the fact that the valuation on mining properties in the state have been raised about \$200,000,000 this year.

BOOTLEGGER ATTEMPTS

ESCAPE FROM CAMP.

This morning about eight o'clock at the county road camp in Government Draw, a prisoner named H. Miller, who was under sentence to serve 3 months with a fine of \$150, attempted to effect his escape. An automobile, which it is believed on previous frame-up, drove up near the ramp just as the men were leaving for their work, and after heading for Tombstone a short distance, suddenly turned and circled back near the camp. Miller, made a jump landing

in the machine, whose driver immedi-
ately shot full speed toward the
direction of Bisbee. A shot from a
guard, however, attracted the at-
tention of another gang ahead of the
machine, and they succeeded in stop-
ping the driver, capturing Miller, who
will be returned to jail to finish out
his sentence. The driver of the ma-
chine was allowed to go free the guard
not knowing what to do in his case,
but he is known and may be taken
into custody for attempting to aid a
prisoner to escape.

PASSPORTS ARE NOT

NECESSARY SAYS WHEELER

PHOENIX, July 23—Sheriff Wheel-
er of Cochise wired Governor Camp-
bell today saying passports were not
necessary in order to pass picket
lines into the Warren mining dis-
trict. He said, however, that such
papers would save the traveler's time
when stopped by his pickets.

The wire from Wheeler was sup-
plemental to a talk over long dis-
tance between the governor and the
sheriff. The governor told him he
had received complaints that tourists
were being stopped and that the
pickets said passports were neces-
sary. The sheriff assured the gov-
ernor this was an error. He said
anybody could pass the line who
could answer with satisfaction the
questions put by the pickets. Pas-
ports from chambers of chambers
and other recognized organizations
are being honored by the pickets, the
sheriff told the governor.

Agency, of Los Angeles, received by

herly, spring, Bisbee; Alfred L. Pe-

MYSTERIOUSLY MISSING

All the courthouse officials and at-
taches are in a regretful mood today
and a city-wide search is in progress
in and effort to locate "Courtouse
Tom," the faithful old tomcat, who
has made the county building his
home for the past ten years. The
animal was noticed to be missing this
morning for the first time, when he
failed to greet the courthouse folks
as they showed up for work. Im-
mediately a search was made or him
with no results, and when a search
over the city failed to reveal his
presence it was feared he had met
with foul play and had been killed
or spirited away. So indignant were
the courthouse girls over his disap-
pearance that a purse has been made
up as a reward for his return and if
Tom is alive a handsome sum awaits
his finder.

MRS. WHEELER SERIOUSLY

ILL, SHERIFF LEAVES

Sheriff Harry C. Wheeler left this
morning following the receipt of the
news of the serious illness of his wife
in San Francisco, where she is on a
visit with relatives. As soon as he
received the news the Sheriff caught
the train and left for the bedside. It
is not known how serious the illness
may be, but the many friends of the
family in Cochise county will hope
for the best.

Griesbach of Yuma, has secured a di-
vorce from his wife, Mrs. Nellie
Griesbach. Mrs. Griesbach was
formerly Nellie Barrow of Tomb-
stone and was here a short time ago
on a visit with friends, going to Los
Angeles from here.

USE NEW ROAD

Owing to a washout at Sandy Bob
Wash crossing on the Tombstone-Bis-
bee road all vehicles are now using
the new road for quite a stretch.
Whether this will be continued until
the new road is finally opened to the
Government Draw was not known un-
til today, but it more than likely
will be the case as the county will
hardly spend the money on repairing
the old stretch of road unless County
Engineer Ryan decided that the use
of the new road will retard the work
or injure the roadway. However,
the new roadway even uncompleted
is an improvement over the old
stretch.

PEARCE DEPUTY.

Constable C. W. Webster, of Pearce
was a visitor in Tombstone today,
having come here on business con-
nected with the sheriff's office.

IS SERVING TIME

Bob Hill is at present serving time
at the bootleggers camp between Bis-
bee and Tombstone. He was caught
recently by Deputy Sheriff Jess Moore
near Apache Pass and brought into
Tombstone. He gave his name as
Williams but when he arrived in
Tombstone and found that he had
taken a man's name who had a two
years' suspended sentence hanging
over him he admitted that his name
was Hill. He entered a plea of
guilty and was sentenced to serve a
term of six months and \$150 fine.

BOOTLEGGER SENTENCED

Between times this morning the
Court, while disposing of a large
amount of probate matters, found
time to sentence A. Mundo, who plead
ad guilty to bootlegging to serve six
months and pay a fine of \$150. He
will do time at the road camp.

MEXICANS LEAVING

Reports were current about
the streets today, although it has
been unable to confirm them of-
ficially, that between Saturday
morning and this afternoon, in
the neighborhood of 65 Mexicans
had quit their jobs and left im-
mediately for Mexico, stating they
fear being drawn in on the draft.

It is reported that as soon as those
who saw their names published
or posted immediately packed
up bag and baggage and left. If
this is the truth it will rid the
country of a foreign element
which would not be drafted, but
whom would be left behind to en-
joy freedom at the expense of
Americans who must go and fight
for liberty.

stone and property owner, spent

RELIGIOUS FANATIC

COMMITTED TO ASYLUM

Jesus P. Pompa, of Pearce, a re-
ligious fanatic, was committed to
the state hospital at Phoenix this
morning by Judge Lockwood, follow-
ing examination by Drs. Hughtart
and Randolph. Pompa is a religious
fanatic and imagines that "he has
given seven or nine powders to the
devil, so that he will do right." When
found he was naked as the day he
was born and was making a religious
offering. He was chased a mile be-
fore being captured, and has been
in a demented condition for about
ten days. During that time he threw
rocks at a woman at Pearce, strik-
ing her, the complaint alleged. Dep-
uty Sheriff John Bright caught Pom-
pa at Cochise, where he went from
Pearce. He will be taken to Pho-
enix by a member of the Sheriff's of-
fice within the next day or two.

son, was in town today on offi-
cial matters.

ATTORNEY PICKETT HERE.

Attorney Harry Pickett, formerly
of Tombstone, but now of the firm
of Boyle & Pickett, of Douglas, was
in the county seat today to attend
to some legal matters. Attorney
Pickett stated that Douglas at present
is experiencing a wave of heat un-
precedented, and that today was the
first cool day he has enjoyed for the
past month. All of which is another
example of Tombstone climate com-
pared with that of the Smelter City.
There is no comparison.

TO NOGALES.

"Rummy" Rockhill, of the Tomb-
stone-Bisbee Stage line, went through
today to Nogales, where he will at-
tend to business for a day before re-
turning to Tombstone.

the taxpayers of the city. The coun-
cil will meet as an equalization board
again on the 31st of this month which
is the last day allowed by law, and

be published in these columns.

having had a most enjoyable time.
